INTRO TO CORE CUTTING

MASTER YOUR CRAFT WITH SURFACE CORE CUTTING!

The Surface Core Cutting System allows you to create and re-create ANY cut at ANY time. During this 4 hour discovery, you will begin your journey to a lifetime of cutting with confidence. You will learn the six principles of cutting, what tools to use when and learn HANDS IN two cuts from the Surface Core Cutting Collection that will enable you to create the PERFECT edge to any one length haircut (The Edge) and the PERFECT layer for whatever long layered style (Freedom) you and your guest are aiming for!

DISCOVER:

- The Core principles of cutting
- The Edge haircut (long one length)
- The Freedom haircut (long layers)
